

Thank you for expressing interest in the
Nature Craft Song Circle
Sunday March 24th from 1-7pm

We will gather with our Autumn Equinox intentions and share a precious and potent afternoon sewing and singing our prayers into these instruments of sacred sound, healing, transformation and celebration.

Each participant will get to create and take 2 pieces home with them. It will be your choice as to whether you craft

- A rattle & fealted beater
- A double headed rattle or
- A beater & rattle in one

We will learn and share songs with the rattle, chakapa and drum, giving thanks to the plants, animals, crystals, elements and nature all around and within us, that are all woven into these powerful pieces. To close our day, we will share a heart-warming homemade vegetarian soup around the fire and leave with our bodies, hearts, minds and souls full to the brim and overflowing.

Places are limited to 7 participants to maintain an intimate experience. To save your place please contribute \$75 to
